LET'S TALK RESEARCH
NAVIGATING DISCLOSURE CHANGES

Learn about recent & upcoming disclosure changes related to sponsored projects!

Session Information:

In response to mandates in the Chips & Science Act, federal granting agencies are implementing several disclosure changes. Learn about changes to the biosketch, current and pending support, certifications regarding malign foreign talent programs, and financial interests on grants disclosure.

During this session, staff from the Office of Research Compliance, Office of Sponsored Projects Administration, and Export Controls will discuss recent changes.
