

SPECIAL NOTE FOR PURCHASES FROM FEDERAL GRANT FUNDS:

SIUC follows the Uniform Guidance (2 CFR 200) standards effective December 26, 2014. However, we are delaying the implementation of the procurement standards for two additional fiscal years, as provided in 2 CFR 200.110, until June 30, 2017. During that period we will continue to comply with the procurement standards in previous OMB guidance (as defined in 2 CFR 200.104)). Procurement specific questions may be directed to Debbie Abell, Director of Procurement Services. Questions related to the university's compliance with the Uniform Guidance may be directed to Wayne Glass, Director, Office of Sponsored Projects Administration.
