INDUSTRY SPONSORED RESEARCH OPPORTUNITIES

Learn about current opportunities to partner with Nidec Motor Corporation – both Research Challenges and Request for Expertise RFPs will be available soon. Ask questions directly to the research project managers and learn how to submit your proposals through the Research Enabled portal (ResearchEnabled.org).

The Missouri University of Science & Technology will host 30 interested researchers at the live version of this event. This event will be live-streamed for all researchers across the UM System and SIU System.

REGISTRATION OPENS SOON!
